MARCH MADNESS

March is a busy and exciting month at Short Dance Studios! Our dancers are working hard as they prepare for their first competition of the season. Costumes will be distributed over the next couple of months, so please check your email for your dancer's costume try-on date.

With recital season quickly approaching, be sure to stay up to date by checking your email regularly for important information. Keep practicing your dances, stretching at home, and taking care of your body to stay healthy during this busy time.

We're so proud of all your hard work—keep it up!

Your friends in dance education,
Wade & Jessica Short

SUMMER FUN!

Get ready for an exciting summer of dance! A detailed schedule of classes and fun camps will be available soon. Summer is the perfect time to try a new class and continue building on the technique you've developed throughout the year.

Take advantage of our summer sessions to refine your skills, and don't miss **Monday/Wednesday Ballet** to strengthen your technique. **Important Reminder:** All performing and competition dancers are required to take **M/W Ballet** and participate in at least one **"Star Makers"** session in the second half of July. These sessions include auditions and special guest teachers.

We welcome **ALL dancers** to join us for **Star Makers** this summer—don't miss out on this amazing opportunity!
